23.	Solering Wire	Specify Name of the company/Product	
24.	Diode	Specify Name of the company/Product	
27.	Capacitor	Specify Name of the company/Product	
28.	Resistance Wire Roll	Specify Name of the company/Product	
29.	Connecting Wire (Circle)	Specify Name of the company/Product	
30.	Lech Lanche Cell	Specify Name of the company/Product	
31.	Viscosity Apparatus	Specify Name of the company/Product	
32.	Zinc Rod	Specify Name of the company/Product	
33.	Zener Diode	Specify Name of the company/Product	
34.	P-n Junction diode	Specify Name of the company/Product	
35.	Carbon Rod	Specify Name of the company/Product	

36.	Voltmeter (AC/DC)	Specify Name of the company/Product	
37.	Galvanometer	Specify Name of the company/Product	
38.	Miliameter	Specify Name of the company/Product	
39.	Meter Bridge	Specify Name of the company/Product	
40.	Potentiometer	Specify Name of the company/Product	
41.	Travelling Microscope	Specify Name of the company/Product	

REQUIREMENT OF CHEMISTRY-LABORATORY

Chemistry Lab			
1.	Chromatography Jars	Borosil	
3	Beaker (500, 1000 ml)	Borosil	
4	Buratte 50ml	Borosil	
5	Pipette 10 ml	Borosil	
7	Glass jar	Borosil	
8	Stop watch	Specify Name of the company/Product
